

CLERK: Mr. President, Senator Murphy offers the following motion. Read Murphy on LB 21 found on page 561 and 562 of the Journal. I believe Senator Savage is going to handle that, Mr. President.

PRESIDENT: Senator John Savage.

SENATOR SAVAGE: Mr. President, members of the Legislature, Senator Murphy has talked to me about it. As the introducer of LB 21 I have no objections to this amendment, which is a correctional amendment to place this matter in the right section of the bill. I'll move the adoption of the amendment.

PRESIDENT: The motion, technically, is a motion to return. Any further discussion? The question is shall the bill be returned to Select File for the specific amendment. Record your vote. Please vote. Record.

CLERK: 28 ayes, 0 nays on the motion to return.

PRESIDENT: The bill is returned. We'll take it up on Select File. We'll take them all up at once, Senator Savage, when we go to Select File. The bill has been returned, but we have four others. LB 372. Same motion. Senator Kelly.

SENATOR KELLY: Mr. President, members of the Legislature, it's necessary to return LB 372 to Select File for a specific amendment that is printed in the Journal on page 517. It is identical to what the Legislature believed that it was adopting, but in the zeal of floor debate and floor amendment there was a slight little error made that did away with the licensing of day care centers, which is not the intent of the proponents or the opponents. Please return this to Select File for this amendment. Then the bill will be as we all believed that it is. Request that we'd return it and request your support.

PRESIDENT: The question is should this bill, LB 372, be returned to Select File for the specific amendment. Record your vote. Record.

CLERK: 27 ayes, 0 nays on the motion to return, Mr. President.

PRESIDENT: The bill is returned. We'll take the motion up when we get there. Senator Moylan...Senator Barnett, rather. On this next bill, it has never been advanced to Select File. Where is it then?

CLERK: The bill has been returned to Select File, Mr. President.

PRESIDENT: This must be advanced and then returned. Would you advance LB 109, please.

SENATOR BARNETT: I'd move that we advance LB 109 to E & R engrossing.

PRESIDENT: All in favor say aye. Contrary say nay. The bill is advanced. Now we can return it, Senator.

SENATOR BARNETT: I'd like to make a motion to return LB 109 to Select File for a specific amendment.

PRESIDENT: All right. That requires a machine vote. Record your vote. Record.
